Kingboard Laminates Shares in issue and to be issued pursuant to the Global Offering. On 2 November 2006, the Company made an announcement disclosing, among other things, further details of the Proposed Spin-off pursuant to Chapter 14 of the Listing Rules.

The Proposed Spin-off is expected to be effected by way of the Global Offering, which will comprise the Hong Kong Public Offer, the International Placing and the Preferential Offer. Goldman Sachs (Asia) L.L.C. has been appointed as the sole global coordinator, sole bookrunner, sole sponsor and lead manager of the Global Offering.

The listing of the Kingboard Laminates Shares on the main board of the Stock Exchange is conditional upon the fulfilment or waiver of the conditions as set out in the paragraph headed "Conditions precedent" below. Immediately after completion of the Proposed Spin-off, Kingboard Laminates will have a public float of 25% (assuming the Over-allocation Option is not exercised) of its enlarged issued share capital.

Subject to the granting of approval for the listing of, and permission to deal in, the Kingboard Laminates Shares on the main board of the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, thtcomplet6(.)oa.7(f)0-417.5(s)-Let6()-6.0-0.37iIKGo88TD0.0213T

EEIC, which produces some laminates (primarily as part of its production of PCBs), will continue to be a member of the Retained Group upon completion of the Restructuring. As at the Latest Practicable Date, EEIC is a 70.89% subsidiary of the Company. Its shares are listed on the SGX.

Directorship of the Kingboard Laminates Group

The Board currently comprises a total of 12 Directors. The board of Kingboard Laminates is expected to comprise 13 directors. Save for Mr. Lo Ka Leong, a non-executive director of Kingboard Laminates and the company secretary of the Company, who will remain in such positions following the listing of Kingboard Laminates, none of the directors or senior management of the Kingboard Laminates Group will assume any employment, role or function in any company that will form part of the Retained Group. Mr. Cheung Kwok Wa, Mr. Cheung Kwok Keung, Mr. Cheung Kwok Ping and Mr. Lam Ka Po, who are currently executive Directors, will cease their directorships in the Company with effect from the Listing Date and will focus on their roles as executive directors of Kingboard Laminates upon the listing of Kingboard Laminates. Please refer to the section headed “Directorships” below for further details.

Structure of the Proposed Spin-off

The Company intends to effect the Proposed Spin-off by way of the Global Offering.

The Global Offering will comprise an offering of Kingboard Laminates Shares to the public in Hong Kong for subscription as well as a placing of Kingboard Laminates Shares with certain professional, institutional and other investors. The Global Offering will also include an offer of assured entitlements to the Qualifying Shareholders to subscribe for Kingboard Laminates Shares by way of preferred application under the Preferential Offer.

On the assumption that the Over-allocation Option will not be exercised, it is currently expected that: (i) 25% of the enlarged issued share capital of Kingboard Laminates will be offered pursuant to

LETTER FROM THE BOARD

Conditions precedent

It is currently expected that the Proposed Spin-off will be conditional on, among other things, the following:

- (i) the Listing Committee granting approval for the listing of, and permission to deal in, all the Kingboard Laminates Shares in issue and to be issued pursuant to the Global Offering; and
- (ii) the obligations of the underwriters under the underwriting agreements to be entered into among Kingboard Laminates, the Company and the underwriters in respect of the Global Offering becoming unconditional and the underwriting agreements not being terminated in accordance with their respective terms, on or before the dates and times to be specified therein.

If any of these and other applicable conditions are not fulfilled or, save for condition precedent (i) above, waived prior to the dates and times to be specified, the Proposed Spin-off will lapse, and the Stock Exchange will be notified immediately and an announcement will be published by the Company and/or Kingboard Laminates as soon as practicable following such lapse.

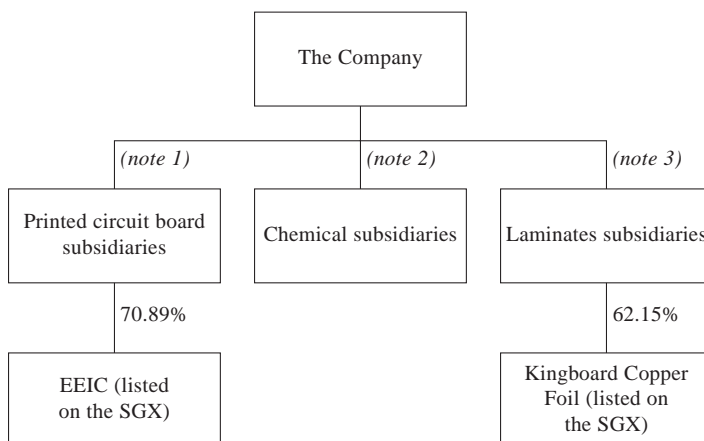

The Restructuring

Background

Prior to the Global Offering, a number of restructuring steps were undertaken with a view to transferring certain companies within the Group to the Kingboard Laminates Group in preparation for the Proposed Spin-off. The objective of the Restructuring is to establish Kingboard Laminates as the holding company for the laminate and laminate-related operations of the Group (save and except for the laminate operations of EEIC, as more particularly set forth in the sub-paragraph headed “Non-compete undertaking and indemnity” below) for the purpose of the Proposed Spin-off.

Structure chart

Set forth below is the simplified shareholding structure of the Group immediately before the Proposed Spin-off:

Note:

1. The printed circuit board subsidiaries are either wholly-owned or majority owned by the Company.
2. The chemicals subsidiaries are either wholly-owned or majority owned by the Company.
3. The laminates subsidiaries are either wholly-owned or majority owned by the Company.

Set forth below is the simplified shareholding structure of the Retained Group and the Kingboard

The restrictions which the Company agreed to undertake in the above do not apply to:

- (1) Restricted Activity conducted by EEIC and its subsidiaries; and

Regarding the guarantees provided by the Kingboard Laminates Group to secure the Retained Group's payment obligations under the Syndicated Loans, the Company currently expects to fully repay the amount then outstanding under the Syndicated Loans on the Listing Date through the following sources of funds:

- (a) a special dividend in the amount of HK\$2,000 million to be received from the Kingboard Laminates Group (as more particularly described in the sub-paragraph headed "Special dividend" below);
- (b) payment to be received from the Kingboard Laminates Group (in settlement of the net amounts then owed by the Kingboard Laminates Group to the Retained Group which amounted to HK\$535.1 million as of 30 June 2006 as mentioned above); and
- (c) a portion of the proceeds from the sale of existing Kingboard Laminates Shares by the Retained Group under the Global Offering.

Special dividend

During the period following completion of the Restructuring and before completion of the Global Offering, Jamplan (BVI) will be the sole shareholder of Kingboard Laminates. During such period, the board of directors of Kingboard Laminates has declared a special dividend in the amount of HK\$2,000 million to Jamplan (BVI). Consequently, investors (including the Qualifying Shareholders) who purchase or subscribe for the Kingboard Laminates Shares under the Global Offering will not be entitled to the special dividend.

Intended use of proceeds

Indicative price range per Kingboard Laminates Share

By the Company's announcement dated 17 November 2006, it was announced that the preliminary indicative price range per Kingboard Laminates Share under the Global Offering is HK\$5.97 to HK\$7.73 (excluding brokerage fee, SFC transaction levy and the Stock Exchange trading fee). The indicative price range will also be disclosed in the Prospectus.

Based on the preliminary indicative price range stated above and on the assumption that the Over-allocation Option is not exercised, it is estimated that the aggregate net proceeds from the Global Offering (after deduction of underwriting commission and estimated expenses) will be in the range of approximately HK\$4,268.2 million to HK\$5,542.8 million. As disclosed in this circular, of the Kingboard Laminates Shares to be offered under the Global Offering, 20% will be new Kingboard Laminates Shares to be issued and allotted by Kingboard Laminates, while 80% will be existing Kingboard Laminates Shares to be offered for sale by the Selling Shareholder. On the basis of the aforesaid, approximately HK\$809.3 million to HK\$1,064.3 million of the proceeds from the Global Offering

(c) The Proposed Spin-off will give a clearer operational focus to the Group.

The laminate business of the Group has grown to a size sufficient to command a separate listing and the Board considers that such listing will also be beneficial to the Kingboard Laminates Group for the following reasons:

- (a) It will provide flexibility to the Kingboard Laminates Group to raise future funds from the capital markets to support its growth through continuing organic expansion as well as acquisitions.
- (b) It will enable the Kingboard Laminates Group to take advantage of the significant growth potential both globally and within the PRC by:

(g) Operational focus on laminate industry: Among the major laminate manufacturers in the world, Kingboard Laminates is one of the few companies that is predominantly focused on the manufacture and sale of laminate and laminate-related products.

Net tangible asset value

Based on the Company's audited consolidated accounts for the year ended 31 December 2005, the audited consolidated net tangible asset value of the Group as at 31 December 2005 was HK\$7,985.6 million and the audited net tangible asset value per Share as at that date would be HK\$10.20 based on 784,767,161 Shares in issue as at 31 December 2005. The unaudited net tangible assets of Kingboard Laminates Group as at 31 December 2005 represented about 63.2% of the audited consolidated net tangible assets of the Group as at 31 December 2005. The historical consolidated net tangible assets of the Group and the Kingboard Laminates Group are not necessarily indicative of the likely consolidated net tangible assets of the Group and the Kingboard Laminates Group following the

The Board currently expects that the Company will recognise a gain resulting from the Proposed Spin-off. Based on the unaudited consolidated net assets of the Kingboard Laminates Group as at 30 June 2006, the estimated net proceeds from the Global Offering of approximately HK\$4,905.5 million (if the Over-allocation Option is not exercised), or approximately HK\$5,402.1 million (if the Over-allocation Option is exercised in full) (both calculated based on the mid-point of the indicative price range of HK\$5.97 to HK\$7.73 per Kingboard Laminates Share under the Global Offering) and the current proposed structure of the Global Offering, the amount of such gain is estimated to be approximately HK\$3,900.3 million (if the Over-allocation Option is not exercised), or approximately HK\$4,296.3 (if the Over-allocation Option is exercised in full), and represents the difference between the estimated amount of net assets of Kingboard Laminates to be diluted immediately following the completion of the Global Offering and the Company's interest in the net process receivable by the Selling Shareholder and Kingboard Laminates under the Global Offering. However, the actual amount of such gain may differ from the estimated figure as mentioned above depending on the actual pricing and structure of the Global Offering. Assuming that the Proposed Spin-off is completed by the end of December 2006, such gain will be recognised in the results of the Company for the year ending 31 December 2006. The consolidated net assets of the Group will therefore, among other things, be affected by the same amount of such gain.

A profit forecast for Kingboard Laminates for the financial year ending 31 December 2006 ("Profit Forecast") have been prepared solely for inclusion in the Prospectus. The directors of Kingboard Laminates estimate that, in the absence of unforeseen circumstances and based on the combined results of the Kingboard Laminates Group for the six months ended 30 June 2006 shown in the accountants' report of the Kingboard Laminates Group included in the Prospectus, the combined results shown in the unaudited combined accounts of the Kingboard Laminates Group for the three
